Title: Technique for Communicating Relatively High And Low Priority Data Between a Terminal and a Remote Location

---

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The following remarks are submitted in response to the Examiner's Statement of Reasons for Allowance included in the Notice of Allowability dated August 6, 2009 in the above-identified application.

REMARKS

Applicants have reviewed the Examiner's Statement of Reasons for Allowance given on pages 2-3 of the August 6, 2009 Notice of Allowability. Applicants acknowledge with gratitude the Examiner's allowance of the case.

Out of an abundance of caution, it is respectfully noted that while the Examiner appears to quote the exact language of Claim 1, the other independent claims are worded with slight variations. Applicants thus respectfully state for the record their position that each of Claims 1-43 is allowable because the particular limitations thereof are not taught or suggested by the prior art of record.

Respectfully submitted,

Paul J. Otterstedt  
Attorney for Applicant(s)  
Reg. No. 37,411  
Ryan, Mason & Lewis, LLP  
1300 Post Road, Suite 205  
Fairfield, CT 06824  
(203) 255-6560

Date: November 2, 2009
